Limited Warranty for Amarr Steel Garage Doors

If your Amarr steel garage door sections rust through because of the paint finish cracking, checking, or peeling, Amarr will repair or replace those sections for the warranty period listed in the Limited Warranty table above. Chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty.

If an Amarr steel garage door is located less than 1.25 miles from salt atmospheres, the limited warranties for paint finish color change and chalking are only covered for one (1) year and the film integrity of the paint finish is not covered. Film integrity includes the cracking, checking or peeling of the paint finish that is apparent upon ordinary outdoor visual observation.

An Amarr steel door is pre-painted with a factory-applied finish, but the door will accept a wide variety of commercially available **latex** exterior house paints, when applied in accordance with the paint manufacturer's recommendations. However, no warranty of paint compatibility is made or implied. **DO NOT USE OIL BASED PAINT.**

For all Amarr steel garage door models, if any section, part or hardware, excluding glass, frames, and inserts, is defective in material or workmanship, Amarr will repair or replace it for the warranty period listed in the Limited Warranty table above. The hardware warranty applies to standard lift and low headroom applications only (not to hi-lift or vertical lift).

Limited Warranty for Wood Garage Doors

Wood doors have natural wood variations that enhance the natural beauty of wood. For wood garage doors, if any wood sections deteriorate due to warping, splitting, rotting, or cracking, as verified by Amarr personnel upon inspection, Amarr will repair or replace those sections for the warranty period listed in the Limited Warranty table above. The warranty period will be valid only if the door is primed and painted or stained in accordance with all six (6) sides of each section to be stained or primed within two (2) weeks of receiving the door. However, no warranty of paint or stain compatibility is made or implied. Detailed information for staining or painting is available on www.amarr.com.

For wood garage doors, if any part or hardware, excluding glass, frames and inserts, is defective in material or workmanship, Amarr will repair or replace it for the warranty period listed in the Limited Warranty table above (excludes decorative hardware). The hardware warranty applies to standard lift and low headroom applications only (not to hi-lift or vertical lift).
